***Be a Special Shopper!** This means that you will purchase whatever items that you choose to fit your budget from our very long list of Gift Wishes! Buy one special item on a child's list or buy all items on the list of a child or an entire family. We also have had people who choose to buy clothes or winter accessories for many kids and someone who loves to buy the toys and personal items on our list. It's your choice and it's so much fun! It's a great way to help us meet the specific needs from our very long and fun list.
